

# Register for GearFit

GearFit uses KRID to grant secure access to our webpage. To comply with security measures, we require Multi Factor Authentication which can be either a CAC or Google Authentication app (download onto mobile device required).

## Register with your CAC (faster log-in method)

1. Visit <https://gearfit.apps.unclass.kesselrun.us/landing>
2. Click Register for GearFit. This will bring you to register for KRID.
3. Create an Account
4. Register for Smart Card Authentication
5. Select Certificate
6. Enter CAC PIN
7. Select Continue when you arrive at the Account Creation page
8. Login with CAC

## Register with Email (access via desktop & mobile)

1. On your mobile device download (free) Google Authenticator app from the Apple App Store or Android Google Play Store
2. Next, visit <https://gearfit.apps.unclass.kesselrun.us/landing> on your desktop, ideally using Google Chrome.
3. Click Register for GearFit. This will bring you to register for KRID
4. Enter your .mil email address and enter a compliant password
5. Click Setup Google Authenticator for Multi Factor Authentication
6. Use your phone to open Google Authenticator select the (+) icon
7. Select Scan QR code on your phone or enter the provided code on your desktop
8. Click Next
9. Enter the six-digit code shown from your Google Auth (it will change every 30s)
10. Check your .mil email for the activation link + select validate
11. Visit <https://gearfit.apps.unclass.kesselrun.us>\* and login with email/password + Google Authentication code \*ensure the /landing from the previous visit is omitted
